ABOUT THE INTERNATIONAL CONFERENCE

Information Technology is the future face huge challenges in balancing and optimizing productivity and profitability against stewardship of earth ecosystems and natural resources. This conference will provide an ONLINE open forum for researchers, academicians, scholars, students, extension workers, entrepreneurs and industry personnel to discuss various aspects of advancements in agriculture technology and allied sciences under different thematic areas and share their latest research achievements. Our conference “**An International Conference on Innovations in Technology, Agriculture, Management and Social Sciences**” will provide you with an opportunity to meet with international resource persons, researchers and colleagues working in Information Technology, Business Studies, Agriculture, Allied Sciences, Engineering and Management and Social Sciences.

ABOUT THE ORGANIZATIONS

Research Education Solutions

Research Education Solutions (RES) has been serving the Academia for last one and a half decade. RES is a micro enterprise registered with MSME, Government of India. We provide support and assistance foreducation in a wide variety of areas such as conferences, workshops, edited books, patent assistance and data analysis services. Our core team is competent in various sub-domains of Commerce, Economics, Management, Political Science, Social Science, Education, English Literature, Science and Technology, Pharmaceutical and many more.

Institute of Management Bhubhneswar

Institute of management Bhubaneswar (IMB) is an autonomous B-School approved and recognized by the All-India Council for Technical Education (AICTE), Ministry of HRD, Govt, of India. It has a well-equipped sprawling campus of three acres and occupies a vantage location on the N.H.16 at the heart of the city of Bhubaneswar Rasulgarh square, the state capital of Odisha. Over the last three decades, Institute of management Bhubaneswar, has uniquely positioned itself as India's one of the 'Corporate B-School' and with its two-year full-time Post Graduate Diploma in Management (PGDM) being approved by AICTE With an excellent pedagogy, continuous Innovation and through Research and development, IMB is well on its path to establish a globally networked, corporate-savvy, research-driven management education system that creates 'Industry Ready Managers' – an alert group of professionals equipped to operate in today's technology-driven business environment. As a result of that over the years, more than 500 organizations have absorbed our 3000+ alumni, who have earned respect and rich accolades for their achievements and are star performers within their organizations.
