ABOUT THE INTERNATIONAL CONFERENCE

The present conference on **“Convergence of Multidisciplinary Academic Domains: Advancing Knowledge Through Integrated Research”** will provide an ONLINE open forum for researchers, academicians, scholars, students, extension workers, entrepreneurs, and industry personnel to discuss various aspects of advancements in agriculture technology and allied sciences under different thematic areas and share their latest research achievements. Our conference “Convergence of Multidisciplinary Academic Domains: Advancing Knowledge Through Integrated Research” will provide you with an opportunity to meet with international resource persons, researchers, and colleagues working in Agriculture, Allied Sciences, Engineering, and Management.

ABOUT THE ORGANISERS

Research Education Solutions

Research Education Solutions (RES) has been serving Academia for the last and a half decade. RES is a micro-enterprise registered with MSME, Government of India. We provide support and assistance for education in a wide variety of areas such as conferences, workshops, edited books, patent assistance, and data analysis services. Our core team is competent in various sub-domains of Commerce, Economics, Management, Political Science, Social Science, Education, English Literature, Science and Technology, Pharmaceutical and many more.

iDream Group of Institutions: Your Path to Success

iDream Management & Nursing College, based in Talcher, is one of the most trusted educational institutions in Odisha, offering career-focused courses in Management and Nursing. Serving students from Talcher, Angul, and surrounding regions, we are committed to empowering young minds with the skills and knowledge required to thrive in the corporate and healthcare sectors.

We are approved by AICTE, DHE, DMET, ONMRC (Govt. of Odisha), and affiliated to Utkal University and ONMEB. Our academic programs

meet the highest standards of quality and are designed to offer strong career outcomes through real-world learning and placement readiness.

Our Management programs are industry-aligned and prepare students for roles in business, IT, and social development sectors. With training in soft skills, digital tools, internships, and campus interviews, students are well-prepared for placements in top companies and NGOs.

Our Nursing programs train students to become skilled, compassionate professionals. Through practical sessions, hospital internships, and exposure to community health services, we ensure our nursing graduates are placement-ready for careers in hospitals, clinics, nursing homes, and public health organizations.
