ABOUT THE INTERNATIONAL CONFERENCE

The present conference on *“Global Innovations and Sustainable Solutions in Agriculture, Digital Systems, Business, management, pharmaceutical and Education”* will provide an ONLINE open forum for researchers, academicians, scholars, students, extension workers, entrepreneurs, and industry personnel to discuss various aspects of advancements in agriculture technology and allied sciences under different thematic areas and share their latest research achievements. Our conference *“Convergence of Technology & with Engineering, Management, Social Sciences, and Agriculture for Better Productivity & Sustainability”* will provide you with an opportunity to meet with international resource persons, researchers, and colleagues working in Agriculture, Allied Sciences, Engineering, and Management.

ABOUT THE ORGANISERS

Research Education Solutions

Research Education Solutions (RES) has been serving Academia for the last and a half decade. RES is a micro-enterprise registered with MSME, Government of India. We provide support and assistance for education in a wide variety of areas such as conferences, workshops, edited books, patent assistance, and data analysis services. Our core team is competent in various sub-domains of Commerce, Economics, Management, Political Science, Social Science, Education, English Literature, Science and Technology, Pharmaceutical and many more.

IMB

Institute of Management Bhubaneswar (IMB) is an autonomous B-School approved and recognized by the All India Council for Technical Education (AICTE), Ministry of HRD, Govt, of India. It has a well-equipped sprawling campus of three acres and occupies a vantage location on the N.H.16 at the heart of the city of Bhubaneswar @ Rasulgarh square, the state capital of Odisha. Over the last three decades, Institute of management Bhubaneswar, has uniquely positioned itself as India's one of the 'Corporate B-School'

and with its two-year full-time Post Graduate Diploma in Management (PGDM) being approved by AICTE With an excellent pedagogy, continuous Innovation and through Research and development, IMB is well on its path to establish a globally networked, corporate-savvy,

research-driven management education system that creates ‘Industry Ready Managers’ – an alert group of professionals equipped to operate in today’s technology-driven business environment. As a result of that over the years, more than 300 organizations have absorbed our 1500+ alumni, who have earned respect and rich accolades for their achievements and are star performers within their organizations.
