and

Award Ceremony

11th April 2026

ABOUT THE INTERNATIONAL CONFERENCE

Technology is the life blood of all the streams and so as the Management. This conference will provide an ONLINE open forum for researchers, academicians, scholars, students, extension workers, entrepreneurs, and industry personnel to discuss various aspects of advancements in agriculture technology and allied sciences under different thematic areas and share their latest research achievements. Our conference “Convergence of Technology & with Engineering, Management, Social Sciences and Agriculture for Better Productivity & Sustainability” will provide you with an opportunity to meet with international resource persons, researchers and colleagues working in Agriculture, Allied Sciences, Engineering and Management.

ABOUT THE ORGANISERS

Research Education Solutions

Research Education Solutions (RES) has been serving Academia for last one and a half decade. RES is a micro enterprise registered with MSME, Government of India. We provide support and assistance for education in a wide variety of areas such as conferences, workshops, edited books, patent assistance and data analysis services. Our core team is competent in various sub-domains of Commerce, Economics, Management, Political Science, Social Science, Education, English Literature, Science and Technology, Pharmaceutical and many more.

About SAMET School of Management:

SAMET School of Management is a dynamic institution dedicated to equipping students with the skills and knowledge needed for leadership and strategic roles in the business world. We offer rigorous curriculum that integrates core business disciplines such as finance, marketing, human resource and operations with practical applications through case studies, group projects, and experiential learning opportunities. Beyond academics, this institution emphasizes on the development of critical soft skills, including leadership, communication, and strategic thinking. The combination of theoretical learning and hands-on industrial experience, problem solving skill, positions graduates to tackle complex business challenges and drive organizational success in a rapidly evolving global market.

Sustainable business strategies Post Covid-19 | Business lessons from Covid-19 | Covid -19 impact on Business and Economy | Changing dynamics of Education | Agile Business Strategies

Social Science

Education | Hospitality | Journalism and Mass Communication | Agricultural and Rural Development |

Arts and Literature

Contemporary Literature in Hindi and English

GREEN TECHNOLOGY, CLIMATE-SMART AGRICULTURE, SUSTAINABLE ENVIRONMENT

1. Watershed management and efficient water recycling
2. Quantitative and qualitative improvement of ground water
3. Climate change, greenhouse gases and air quality
4. Biomass utilization towards greener energy

5. Soil health and prospective of soil conservation
6. Nutrient cycling and plant nutrition
7. Conservation tillage and prospective of soil carbon sequestration
8. GMOs for climate resilient farming
9. Organic agriculture towards food security
10. Restoration of productivity through precision farming
11. Mathematical and statistical modeling in achieving precision farming objectives
12. IPM, INM and eco-friendly farming
13. Integration of agriculture and allied sector towards environment restoration
14. Crop-livestock farming for efficient utilization of resources
15. Adoption and limitation of green technology for sustainability
16. Waste management and treatment system
17. Environmental remediation through plant-based system
18. 3Ts: Green-, Nano- and Bio-Technology for sustainability
19. Integrated resource management for sustainable and quality food production
20. Forestry, Biodiversity and Conservation for sustainable food production
21. Horticultural crops for alternative way of livelihood.
22. Floriculture and Landscaping for sustainable development.

Conceptual and empirical submissions not specifically catering to the above-specified themes, but falling within the broad domain of Management, Science and Engineering, ICT, Arts and Literature, Social Science, Agriculture and Rural Development, Entrepreneurship Etc. are welcome.

Important Dates

Date of submission of Abstract	-	30th March 2026
Last Date of Registration	-	08th April 2026
Dates of Conference	-	11th April 2026

Contact Information:

Submit your abstract on: researchedu2020@gmail.com or resconferences@gmail.com

Call for any query/assistance: +91-8160784735

Conference Registration fees Details

Indian Participants

(PG Students/ Research Scholar: ₹ 500/-
Academician/ Researchers/ Industry Persons: ₹ 1000/-

Foreign Participants: 40 USD
