ABOUT THE INTERNATIONAL CONFERENCE

The present conference on *“Interdisciplinary Research on Management, Technology Social Science, Education, and Agriculture”* will provide an ONLINE open forum for researchers, academicians, scholars, students, extension workers, entrepreneurs, and industry personnel to discuss various aspects of advancements in agriculture technology and allied sciences under different thematic areas and share their latest research achievements. Our conference “Convergence of Technology & with Engineering, Management, Social Sciences, and Agriculture for Better Productivity & Sustainability” will provide you with an opportunity to meet with international resource persons, researchers, and colleagues working in Agriculture, Allied Sciences, Engineering, and Management.

ABOUT THE ORGANISERS

Research Education Solutions

Research Education Solutions (RES) has been serving Academia for the last and a half decade. RES is a micro-enterprise registered with MSME, Government of India. We provide support and assistance for education in a wide variety of areas such as conferences, workshops, edited books, patent assistance, and data analysis services. Our core team is competent in various sub-domains of Commerce, Economics, Management, Political Science, Social Science, Education, English Literature, Science and Technology, Pharmaceutical and many more.

Oxford College of Management

Oxford College of Management (ISO 9001:2008 certified Institution) works under the Oxford Group of Institutions Odisha. Master of Business Administration (MBA) is a postgraduate degree program that provides advanced business and management training. The course will equip students with the knowledge and skills to succeed in leadership roles. Oxford College of Management offers a two-year, full-time MBA program with a general management curriculum focused on real-world practice.
